

## MIDCOAST CA\$H IS STILL HERE FOR YOU! OUR VOLUNTEERS ARE READY TO HELP.

We've teamed up with [GetYourRefund.org](https://www.getyourrefund.org) to connect you to our IRS-certified virtual volunteers. Filing will be done virtually, and with safety precautions in place for Scan & Go sites.

**IF YOUR HOUSEHOLD MADE LESS THAN \$57,000 IN 2020,  
THERE ARE 3 FREE, SAFE, AND EASY WAYS TO FILE YOUR TAXES:**

**OPTION 1:** Visit [www.getyourrefund.org/midcstme](https://www.getyourrefund.org/midcstme) to start your online intake process. You'll answer a series of questions, upload documents, and receive phone calls from our team before we e-file your return.

**OPTION 2:** File your own taxes (with access to helpline support) at [myfreetaxes.com](https://myfreetaxes.com).

**OPTION 3:** No mobile device or computer? No problem! Call (207) 295-6340 to be sent an intake packet. Complete all forms, gather your documents, and head to one of our **Scan & Go** sites in Brunswick, Topsham and multiple locations in Lincoln County. All your documents will be scanned into **GetYourRefund** and returned to you. You'll receive phone calls from our team before we e-file your return.
